

Ordinary Membership Application and Commitment Lovelace's Square

Asociacion Lovelace's Square | CIF/NIF: G27686872 Document date: May 27, 2026

Lovelace's Square was created to bring people together around open chemometrics. Following its principles, the Association is opening the project to the community so that people interested in open science, chemometrics, and Lovelace's Square's purposes can become members and take part in its future under the statutes.

1. Member Rights

Members have the rights recognized in the statutes, including the right to participate in Association activities, attend General Assemblies with voice and vote where applicable, elect and be elected to governing roles, receive governance and finance information, access the Association's books under the applicable conditions, and challenge decisions contrary to law or the statutes.

2. Privacy And Records

The Association will process member data to manage the membership relationship, communications, governance, legal obligations, access management, and internal records.

3. Applicant Acceptance

If admitted by the Board, the applicant agrees to respect the Association's statutes, valid internal agreements, governance decisions, and applicable member rules; collaborate in the Association's purposes; keep contact details up to date; and act in good faith to protect the credibility, openness, and scientific integrity of Lovelace's Square.
